Pastor's Message

Dear Friends,

Now that Easter is behind us and the leftover eggs have been eaten (along with the chocolate bunnies!) and we settle down into “ordinary time” in the church calendar year, what now? How do we live as Easter people? How do we live “by HOPE” (“Helping Other People Endure”) as I shared on Easter Sunday? Jack Canfield (of *Chicken Soup for the Soul* fame) is a successful motivational speaker, author, and consultant. I came across a list he shared and will present it to you over the next three months in the interest of helping us not “be happy” but be in a better position to make a difference for God by getting our problems (namely us!) out of the way – or at least reduce our capacity to be self-destructive. Here are the first five:

15 Things You Should Give Up To Be Happy

- 1. Give up your need to always be right.** There are so many of us who can't stand the idea of being wrong – wanting to always be right – even at the risk of ending great relationships or causing a great deal of stress and pain, for us and for others. It's just not worth it. Whenever you feel the ‘urgent’ need to jump into a fight over who is right and who is wrong, ask yourself this question: **“Would I rather be right, or would I rather be kind?”** Wayne Dyer. What difference will that make? Is your ego really that big?
- 2. Give up your need for control.** Be willing to give up your need to always control everything that happens to you and around you – situations, events, people, etc. Whether they are loved ones, coworkers, or just strangers you meet on the street – just allow them to be. Allow everything and everyone to be just as they are and you will see how much better that will make you feel. **“By letting it go it all gets done. The world is won by those who let it go, but when you try and try, the world is beyond winning.”** Lao Tzu
- 3. Give up on blame.** Give up on your need to blame others for what you have or don't have, for what you feel or don't feel. Stop giving your powers away and start taking responsibility for your life.
- 4. Give up your self-defeating self-talk.** Oh my. How many people are hurting themselves because of their negative, polluted and repetitive self-defeating mindset? Don't believe everything that your mind is telling you – especially if it's negative and self-defeating. You are better than that. **“The mind is a superb instrument if used rightly. Used wrongly, however, it becomes very destructive.”** Eckhart Tolle
- 5. Give up your limiting beliefs** about what you can or cannot do, about what is possible or impossible. From now on, you are no longer going to allow your limiting beliefs to keep you stuck in the wrong place. Spread your wings and fly! **“A belief is not an idea held by the mind, it is an idea that holds the mind”** Elly Roselle

The next five in June,

John 16:33 (NLT): “I have told you all this so that you may have peace in me. Here on earth you will have many trials and sorrows. But take heart, because I have overcome the world.”

What a month April has proven to be -- starting off on April 1st with Palm Sunday, continuing on with the deep introspection of Passion Week, and ultimately unfolding into the joyous celebration of our Risen Lord on Easter morning. As though that wasn't enough, our Palm Sunday celebration also included the dedication of our new organ and piano made possible through generous funding by the estate of Mary Henderson, and donations given in memory of Sue Holby, honoring these two saints of our congregation who will always be a part of our worship together through these incredibly wonderful gifts.

Sunrise on the beach Easter morning was one of the most spectacular I have ever witnessed. Once the sun broke through the clouds which hugged the horizon, the resulting radiating fan of sunshine filled the eastern sky and glistened brightly upon the water the entire time we remained in worship: "My God, how great thou art!" I carried the vision of that remarkable sunrise throughout the day, and still draw upon it as a vision of warmth, strength and unity to THIS day. I was so spiritually full at our equally inspirational 10:45 Easter worship that I barely made it through the anthem; the incredibly uplifting rhythm, music and text of that anthem helped me soar right on through atop its powerful wave of JOY!

April 20th brought yet another peak of spiritual enrichment to me personally, and I believe to you as well -- that of my Licensure by the Committee on Church and Ministry of the Florida Conference of the United Church of Christ. Now with the blessings of the Conference, only a few more steps remain for us to complete in order to secure this journey together into the future. After our Church Council submits to the Committee on Church and Ministry a letter of affirmation on how we as a church will benefit from my licensure according to UCC guidelines, we may then celebrate together my new ministry among you in a special service of recognition. Annual renewal of my licensure will be required, but that process will be quite simplified in comparison.

Although this has been a longer journey than I had originally anticipated, it has been a journey filled with blessings galore. It has been a journey according to God's will, and a journey according to God's timing. Thank you again for being by my side each step of the way.

Joyfully,

Beverly

Financial Update

Operational Budget as of 03/31/12

	ACTUAL	BUDGET
	thru MAR 2012	thru MAR 2012
Income	\$46,759.70	\$45,780.00
Expenses	<u>\$42,811.35</u>	<u>\$45,734.03</u>
Net	\$3,948.35	\$ 45.97

Our income is a little more than anticipated thanks in part to the great first quarter earnings from the Thrift Store. The Thrift Store has an all time record high in earnings for the first quarter of this year. We also had less than anticipated expenses which is always a wonderful bonus. Thanks to everyone for their love and support of our wonderful church. We are definitely on the right course.

Respectfully submitted, Susie Greiff, Treasurer

OPERATIONS TEAM

The following initiatives from Operations have been approved by the Council at their April meeting:

1. The replacement of two toilets in the sanctuary restrooms with newer higher stools
2. The removal of the old water heater (no longer used) to reclaim closet storage in the sanctuary
3. The retrofitting of existing fluorescent light fixtures and ballasts for the new 32 watt bulbs in our buildings for a bid up to \$1,500 with Economy Electrical and Bill Wiggins
4. The updating of the six main sanctuary lights to dimmable CFLs to increase brilliance and reduce electricity costs for a bid up to \$1,100 with Jeff Wise Construction
5. To change insurance carriers saving the church some \$5,000 annually continuing comparable coverage and deductions
6. To change lawn care providers saving us some \$3,000 annually

EASTER SERVICES

We had record attendances at our Easter Services.

We had close to 800 join us for our 32nd Annual Sunrise Service on the Beach! There are pictures and a slide program on our website (managed by Bob Brewster).

Our Sanctuary worship also had a large crowd of over 100 and our Sanctuary Choir did the The Hallelujah Chorus - likewise there are pictures and a video on our website.

Many thanks to all who helped to make the Easter Services such moving experiences. Our Music Ministry, Dancing Angels, Deacons, set-up and tear-down Team, flower dedications and the entire congregation helped to celebrate our Risen Lord.

As in other years, a special thanks to Lt. Max Binz of the Ponce Inlet Police Department for his officers hard work and professionalism.

DEACONS CORNER

Just wanted to say thank you to everyone for all of your fine help. I am so proud of us and our membership for the efforts that were made for this entire Holy Week. It was wonderful. If you got a chance to go to Maundy Thursday, I'm sure it made quite an impression as it definitely did on me. The Sunrise Service was as the Lord intended...filling in so many ways. The people who came out to load equipment Sat. and Sun. morning, you are so dear to all of us for it was done with haste and spirit. Did you get the chance to see the panoramic picture? Awesome, and again one minute no sun, not too many people, then the music started to fill the body and it responded. There were well over 700 people; brothers and sisters, that is powerful. I saw tears everywhere and good mornings and God be with you. Then we traveled back to our Sanctuary and the service and music had me full of the Spirit and I almost was overwhelmed. My hope, my goal is to carry as much of that fire everyday. May God grant me the drive to do so. Peace. *Joe Thompson*

PENTECOST SUNDAY

Pentecost

SUNDAY, MAY 27TH IS PENTECOST...The Birthday of the Church. Mark your calendars, wear something red and come and join in our worship!

Raymond Hargrove sent us this thought: This excerpt is from church consultant, author and UCC minister Tony Robinson's webpage: In the April 18, 2012 Christian Century Bill McKinney reviewed a host of recent studies/ reports on church life and trends. Here's a significant paragraph. "Several attributes of the internal life of congregations are strongly associated with growth in worship attendance. There traits are: a clear sense of the congregation's mission and purpose; a sense that the congregation is spiritual vital and alive; a sense that the church is 'a moral beacon in our community'; and a willingness to meet new challenges. Serious internal conflict is a very strong predictor of congregational decline. Note that last line. In most respects the conflict/ decline correlation a no-brainer, and yet in congregation after congregation I encounter some people who are much more committed to being in conflict over whatever than they are committed to the mission or purpose of the church and hence to its health and vitality. Why is that? Well, sometimes there are real issues that need to be acknowledged and resolved. But often this conflictual bent is a way individuals and groups make themselves feel important. They would rather they are listened to in the shrinking life of their church than that the church's vital witness, as a healthy and vital congregation, is heard in the wider community. In other words, in chronic conflict there is a hard core of selfishness."

THE CARD MINISTRY OF POUCC

There was a very active Women's Fellowship in the early years of the church. They did many things to support the needs of this growing church. One of the women, Doris Hartley, did not have a car, so she couldn't visit folks when there was a need. She sent cards to folks who were ill or shut-in and she soon expanded her ministry to include celebrations such as Birthdays, Anniversaries, etc. I remember one Sunday when our Pastor asked if anyone in the congregation had any questions and someone said "Who is Doris Hartley, I received cards from her and I don't even know her." Doris was introduced to the congregation and many clapped as they had been recipients of cards from her.

That was the beginning of the Card Ministry. Since that time the following people have taken on this role: Mary Henderson, Martha Mason and Sue Batturs. Mary Henderson took it on twice when there was a need, other folks "fill in" when needed.

Before we had a Thrift Store, the "card person" bought the cards, several of us would donate funds to them, as well as the Women's Fellowship would provide cards. Today, folks donate cards to the Thrift Store and the current person doing the Card Ministry may take whatever cards they can use. Also, stamps are provided through the Church Office when needed. So for 25 years most of us have received a card for our Birthday, Anniversary or when we were ill or "under the weather" and we always knew that our church was praying for us through the cards we received. *Jeanette Campbell*

Prayer Shawls: Our supply of Prayer Shawls is getting low. We would appreciate any help. Yarn is available in the closet in the Jim Reed Room. Also, we are in need of medium weight bath towels to make Hospice bibs. All donations of time and materials are greatly appreciated. *Sue Batturs*

THE GIFT & THRIFT STORE

Special thanks to Betty Heffner, Russ Karel, Bob Brewster and my husband for planting, weeding, sprinkler repairs, mulching and other improvements on the Church grounds. There is always a need for others to help in this area.

Thank you to Harriet Rogers and Sonnie & Ron Zinke who have stepped up to take on co-leadership roles/duties within the Thrift Store. What a wonderful start to the year! Total sales for the 1st quarter equal \$10,772. This far exceeds the anticipated budgeted amount and any other year's total-to-date. We are able to pass some "less than store quality" donations on to others such as Christ Team for recycling. Many still usable items, though well worn or outdated, are delivered to the "Farm Workers Association of Volusia County" in Pierson twice a month by Harriet Rogers. Basically about 7,000 people including 400 children are receiving benefits from our assistance. Thank you to those who bring in donations and encourage your neighbors to do so as well. The snow birds are starting to leave and, as always, we need a few more folks who can spare at least 3 hours per week to "help us help others."

Looking forward to another profitable and helpful year. **Barb Pountain**

GETTING TO KNOW OUR WILLING WORKERS

I grew up on a small farm in eastern Pennsylvania and attended a one-room school for grades 1-8. I entered ninth grade in Schuylkill Haven, a small town (population ~ 7,000) about 3 miles from my home. I met Bill there, and in tenth grade we began dating. After graduating from high school in 1948, I entered nurses' training at Northeastern Hospital, in Philadelphia, and Bill entered Drexel, also in Philadelphia (how fortunate!). We were married in December, 1952, and after Bill's graduation in June, '53, moved to East Orange, NJ. Bill worked in New York City for M.W. Kellogg, an engineering-construction firm. We moved to Cambridge, MA, in 1955, where Bill earned an MS in chemical engineering from MIT. In 1956 we moved back to NJ. In 1966 Bill joined Esso (later Exxon) Chemical Company in New York. In 1972 he was transferred to London and, a year later, to Brussels. We traveled widely on the continent with our 3 sons (our daughter was then in college in the US), and we returned to NJ in 1976. Bill retired in 1986, we moved to Port Orange in 1992, and we became members of POUCC in 1993.

I've been helping in the Thrift Store for more than 12 years, and I find it a good way to help the church and others. **Betty Heffner**

Charlie and I moved to Ponce Inlet in 2004. After visiting several area churches, we decided we liked the very welcoming feel of POUCC. Charlie was a golf superintendent at Country Club of Waterbury in Connecticut for over 30 years. I was a payroll clerk for a temporary help company in Connecticut and then for the Town of Sandwich when we moved to Cape Cod.

While we love New England and miss many things about it, we were glad to leave snow and ice behind. We have two children—Douglass, who lives in Port Orange with his wife and daughter and Kristin, who with her husband, Mark, and three children, lives in Medway Massachusetts. I started at the Thrift Shop as a substitute and still remember my first day—a Saturday morning with Blanche Northcutt— and how much fun it was. Now I am a regular on Monday afternoons and Charlie will tell you that I hate to miss a Monday and look forward every week to "going to work". We meet wonderful people at the shop and have great experiences. Come join us and see for yourself. We can always use more volunteers. **Molly Baskin**
