**Senior Pastor's Message**

Dear Friends,

Have you ever heard the folk tale of Lawn Chair Larry? According to published reports, Larry Walters was employed as a truck driver in Southern California. On July 2, 1982, the 33 year-old man fastened 42 surplus weather balloons he had purchased at the Army/Navy Surplus Store (many years earlier as a teenager) to a Sears lawn chair and launched "Inspiration I" from his girlfriend Carol's San Pedro home. He carried various supplies with him as well as a BB pistol to shoot balloons one at a time to descend. He planned to float over 300 miles and into the Mojave Desert. He didn't realize how powerful the buoyancy of the balloons was. When he cut a rope holding him to terra firma, he took off with such a jolt that another anchor rope broke under the stress against the roof of the home and he shot upward so quickly that his eyeglasses flew to the ground. He floated around the L.A. basin for some 45 minutes and reached altitudes of up to 16,000 feet. According to an article in the New York Times the next day, Walters was spotted by pilots from both TWA and Delta Airlines. It was cold at 16,000 feet and he started shooting some of his balloons to descend, but dropped his gun and had to wait for his rig to come down on its own. He landed in a residential neighborhood in Long Beach where the chair got tangled in some power lines, causing a 20 minute power blackout. He was fined by the FAA and the utility company, appeared on late night talk shows, was awarded the top prize by the Bonehead Club of Dallas, and set an unofficial record for gas-filled balloon ascents. When asked why he did it, Walters responded, "Well, you can't just sit there."

While I was reading this story recently, I remembered that adage, "We sing 'Standing on the Promises' but more often are 'Sitting on the Premises.'" What are we doing and where are we going? What are your dreams for us? Are you truly involved in making POUCC stronger and more vital? How well are we doing to make a difference in our community and in the world? I am certainly not advocating such extreme stunts as Larry's but he dared to soar above the clouds. He did what people said could not be done. He pursued his dream (albeit misguided) with a passion and single-minded purpose for many years. Other licensed pilots, inspired by his accomplishment, soared in a similar yet legal way in the years after his flight. As we expand our facilities and programs, to what end are we pursuing? Who are we inspiring to dare to dream and soar? Where would we like to see POUCC in 20-30 years? How can we help to "pave the way" there for those who will come after us?

*Pastor Bill*

## Assistant Pastor

A very special moment for me last month in the life of our church family was when I met with our youth for a special blessing before their departure to the Florida Conference Youth Retreat in Vero Beach. As always with this remarkable group of kids, the air was bubbling with the excitement of just being together; but this time, they were actually taking a journey together -- both physically and spiritually. After about ten minutes of them trying to figure a way of all traveling together in the same vehicle, they were finally convinced that was virtually impossible, and it took another ten minutes to figure out who was traveling with whom. Priceless! Oh, to have been with them on the other end for the return trip to witness this juggling act following a weekend of togetherness! But that was not to be.

That was not to be for, as most of you are aware, MY best "buddy" and husband, Tim, became quite ill, was hospitalized and scheduled for cardiac surgery later in the month, so my place was to be home with him. At this writing, surgery is but days away, but I am assured in knowing that God is with us and that all will be well. I thank each of you from the bottom of my heart for your loving support and encouragement throughout this ordeal. If only those without a church family could know what they're missing. What an incredible blessing you all truly are!

Before closing, I want to say a special THANK YOU to Tracy Davis for being a Youth Retreat chaperone, as well as driving Jackie Clough's van (which she so generously loaned us for the weekend) full of energetic kids to and from Vero Beach. Tracy so enjoyed our kids and was so proud of them that he has volunteered to chaperone for the Walk On Water retreat in January which takes place in Miami. Sher Buller also chaperoned on that trip. Get this! Since I was unable to attend the Vero Beach trip, thus not providing the second vehicle necessary, Sher stepped right in and offered to drive even though she was unable to stay the weekend, which meant two round-trips of driving instead of one. Now that's what I'm talking about -- FAMILY! Thanks, Sher!

Faithfully and Lovingly,

*Beverly*

## OPERATIONS TEAM

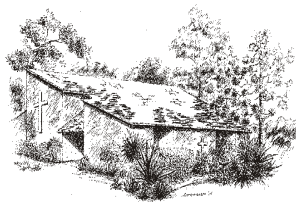

The Operations Team continues to be busy with new and ongoing projects :

1. The work on the West Property is progressing. Due the recent rains, work has been delayed. Contacts are being made with regards to the tree stump grinding, raking, and leveling of the property. We are waiting to hear from the City Planner with regard to the drainage. At this point, we can proceed with the survey drawings for location of both the shelter and bridge.
2. Tracy Davis has built and is installing the booth for the new sound system and Billy Wiggins will handle all the electrical work.
3. The 2013 budget was approved and passed to the Council for their approval.
4. The Stewardship Pledge Campaign will be in February 2013. See pledge information below.

There will be an Operations Meeting on **Monday, November 12th at 6:00 PM.** *Bob Gaither*

### PORT ORANGE UNITED CHURCH OF CHRIST PLEDGE FORM YEAR 2013

*“Living Generously”*

Dear Members and Friends:

The past couple of years have seen changes with new growth and new projects. We are moving ahead as a church family! We need your continuing support to continue to help us with our mission of reaching out while looking up.

We have been diligent and faithful stewards in the past and seek to be so in 2013. The Operations Team has presented a balanced budget to the Council, who has approved it for your consideration and approval at our Annual meeting in January.

We are doing something different, however, this year. Following the trend of churches in our area, we are conducting our primary Stewardship Drive in February (given the large numbers of snowbirds and conflicts with holiday schedules and spending). We know you understand. We realize there are some who wish to make their commitments earlier, so we have placed cards on the Sanctuary table for your convenience. Thank you for your past, present and future support. May God bless you, your family, and our church family in the year ahead.

Sincerely,

*Joe Thompson*, Chair of Deacons

## DEACON'S CORNER

Hi All,

Hope everyone is looking forward to the cooler weather and the return of our snow brothers and sisters. We are as the Diaconate looking forward to exciting developments to our facility inside and outside. I will leave respective reports to the committees that are working very hard to keep our church up to snuff to attract new members and stir a new pride in the facility. There have been little concerns that have been brought to the deacons, and we are pleased about that. Please take the time to tell someone you may not know hello. Also, thank you to all the deacons for your attention to detail that make our services wonderful. As always if you have any questions about services, please ask a deacon. *Joe Thompson*

## CHRISTIAN EDUCATION NEWS

To celebrate Beverly Schafer's licensure and new position as Assistant Pastor of Education will take place on **Sunday, December 16th** in conjunction with the Children's Christmas Play with a reception to follow this combined service.

### Youth Retreat

The United Church of Christ Fall Retreat this year was held in Vero Beach. The weekend was filled with fun, friends, and most importantly, trying to do it all in God's light. The theme of the retreat was called "iSync". The goal was to get the youth to disconnect from their cyber-worlds with texting, Facebook, and all the other ways people communicate now, in order to sync yourself into God's love. We played games, took a walk where we were helped to understand that no matter what you do, you are perfect in God's eye; no matter what you're going through, that you are loved. The retreat was such a great experience, everyone got to know each other so much better because of it and it really has caused us to grow as a youth, as a church, and as a family. *Lauren Scalf, Youth Representative*

## THE GIFT AND THRIFT STORE

## GETTING TO KNOW OUR WILLING WORKERS

Having moved here almost a year ago from North Carolina to be closer to my son, I was looking for a small church that had great music, a good down to earth minister and a nice and caring congregation. Through an invitation to attend from a friend, I found POUCC and eureka! This is it. Then I found the Thrift Store. What a wonderful way to be of service and spend an afternoon once a week. I'm always buying something—you will too. Come visit. *Linda Caudle*

On Monday, January 25th, an older woman carrying a little girl came into the Thrift Store. The child was a Haitian orphan staying with the woman until a permanent home could be found for her. There were two homes that looked promising but the child needed clothes to wear while she was with the woman. They looked through the children's clothing and, with the help of Carol Rogers, chose several items. As Carol was bagging the clothes the woman reached for her purse and both Carol and I shook our head "no" telling her to just take them. She thanked us very much and asked the little girl if she could say "thank you" or "merci" but the child did not respond. Then the woman began singing "Jesus Loves Me" and Carol and I joined in. The girl looked up and smiled and tried to sing along with us. They left with the clothes, smiling and happy. Another customer had been in the store all this time and soon she came to the register with an item she wanted to purchase. I wrapped it for her and told her it was \$2.00. She handed me a \$5.00 bill and when I went to give her the change she gave it back to me saying she had been touched by what happened with the Haitian orphan.

This is just one of the many stories that Thrift Store volunteers can tell and why we love volunteering there. Our store is important to so many people for so many reasons. You, too, can have this kind of experience by volunteering in the Thrift Store. It can lift your heart and your day. *Molly Baskin*

## THANK-YOU NOTES

We recently received a thank-you note from Harriet Hill (relative of Mary Ann Stewart) for the beautiful prayer shawl she received from the congregation in her recent time of need. The note is posted on the bulletin board in the Sanctuary.

We also received mention in THE DOLPHIN, (News from the Family Center) thanking us for the donation of school supplies, sundries and socks.

A big thanks to Jackie Gaither who cleaned all the Sanctuary chairs. *Great job Jackie!*

**Special Note:** I sure got a lot of attention while I was recovering from my "FALL".

Thanks to all. *"Bernie"*

## SPECIAL MISSION NOTES

**ENDING HUNGER ONE STEP AT A TIME:** The Twenty-Fourth Annual CROP Hunger Walk will be held on **Sunday, November 11, 2012, 2:00 PM** and will start from the Drive-In Christian Church on Atlantic Avenue. With something as simple as a one or three mile Sunday afternoon walk, our community will join together to benefit Halifax Urban Ministries and global partners in more than 40 countries working to alleviate hunger and poverty. Each congregation is asked to collect creamy peanut butter and bring it to the Drive. If interested in participating, contact Jackie Gaither at 295-3050.

**“RECIPES FROM THE HEART”:** Our Mended Little Hearts group is putting together a cookbook with recipes that we love to cook. They can be family recipes passed down or just your own. The cookbook will be called "Recipes From the Heart". They will be sold at our CHD awareness walk in February. Also along with the recipes, please answer these questions; What does it mean to you to be a grandmother, grandfather, aunt, uncle, or relative of a heart hero? How has your life changed since having them enter your lives? What have they taught you during their lives that has changed you forever? Please also add your first name, who you are related to and how you are related (first names only please), age of child, and diagnosis and survivor or how many surgeries. Please either email them to me or to [heart-mom11909@cfl.rr.com](mailto:heart-mom11909@cfl.rr.com). Please have your recipes and stories by **January 1, 2013** so there is time to organize and print the cookbook. Thank you all for your participation. They will make great gifts and wonderful memories to give our children when they are adults. I would love for you all to send in one or two and the answers to those questions. It doesn't have to be long.

**MENDED LITTLE HEARTS**

### Toy Collection

**Mended Little Hearts** of Volusia County will be having a toy drive throughout the month of October. We will be delivering the toys to the children in the cardiac units at Wolfson's Hospital in Jacksonville and Arnold Palmer in January, since that is the month when people bearing gifts are few. Please have the toys be new and unwrapped. A few examples are: puzzles, games, DVD, activity sets, crafting projects. There is a bigger list on the box in the Sanctuary, but pretty much any toy that is new. Thank you for your kindness. This mission will put big smiles on these children's faces!

Thank you! *Shannan Wierzbicki*

Our Angel Tree project to support the children of Palm Terrace School will begin in December. More information to follow on this worthwhile cause.

## SPECIAL MISSION OFFERINGS

Other projects are still ongoing: Fill the Food Basket Sunday, first Sunday of each month, sock box, can tabs, glasses, prayer shawls and afghans. If someone knows of a need we can help with, please contact the Mission Team. We need workers for the Bake Sale, so please sign up for any amount of time you can give. This is a church mission project since the funds are used to help anyone we can. *Jackie Gaither, Missions Coordinator*

## YOUR FOOD BASKET DONATIONS

We continue to collect food items to donate to the Episcopal Help Center. **Communion Sundays will also be designated as "Fill the Food Basket" Sunday.** Over 20 bags of food were donated on our first "Fill the Food Basket Sunday". If we all bring a food donation, we will fill the basket each month. Please be generous and make sure all donations have NOT passed their expiration dates (clearly marked on all cans, boxes, and containers). There is a specific need for rice and peanut butter...PLEASE donate ONLY 1 pound bags of rice and 1 pound jars of peanut butter so they can be given to individual families.
