Senior Pastor's Message

Dear Friends,

Last month, I went to the ophthalmologist for the first time in a few years. I knew my eyesight had deteriorated somewhat. I am getting older and the “fine print” is even finer these days. I have been using Pharmacy “Cheaters” over my contacts and using extra large print in my manuscripts and the church purchased a larger computer monitor for me to use as well. So I went, reluctantly, to get tested, checked, processed, and depressed – hearing the reality and having my eyes poked (which I hate!). As they were checking my vision and overall eye health, they eventually used the customary drops to dilate my pupils. After the first round, they put me in a waiting room for the second round to come. Of course, they had to walk with me because my vision was so blurred and fuzzy. The hilarious thing is that in the room were several patients with me in the “assembly line of modern medicine” and there were magazines to read and the TV was on for us to watch while we waited! None of us could see a darn thing! It was both frustrating and relieving at the same time. I wanted to read a magazine on fishing but could not but at least I could not watch the TV program on politics and the upcoming election – so it was not a total loss! The experience made me realize how precious my physical sight is but even more how precious and important it is to be able to see clearly and discern spiritually as well. It is incredible how many in our world “cannot see the forest for the trees.” How’s your vision? Not just your physical eyesight but your spiritual as well? These can be “cloudy” and confusing days. We have an important choice to make next month and regardless of your political persuasion, please look at what’s happening, discern where we need to be headed as a nation and vote your convictions. We are challenged to be Christians in the voting booth as well as in the sanctuary. Look at all that is going on here in POUCC as God’s Vision for us is unfolding—new staff, expanding facilities and programs, augmented worship resources, and an updated directory—those and other initiatives are printed within this newsletter. Catch the Vision! May we continue to serve and witness in love not arrogance. In the words of a song I loved to hear by Johnny Nash:

*I can see clearly now, the rain is gone, I can see all obstacles in my way.
Gone are the dark clouds that had me blind. It's gonna be a bright, bright
Sun-Shiny day. I think I can make it now, the pain is gone. All of the bad
feelings have disappeared. Here is the rainbow I've been praying for. It's
gonna be a bright, bright Sun-Shiny day.*

May you all experience a bright, Son-Shiny day—every day!

Pastor Bill

Assistant Pastor

It is Wednesday, September 12th, 2012, one day after the 11th year following that horrific day of 9/11. (I hesitate to say "anniversary" because that word always depicts in my mind a HAPPY day of celebration.) By the time you read this, you possibly will not recall the significance of 9/11/12 -- the day when our Ambassador to Libya (Chris Stevens) and 3 additional Americans were assassinated on the soil of our American Consulate in Benghazi, Libya. One "rationale" at this time for the attack is in retaliation for imaging Muhammad in a newly released You-Tube film. Coincidence this attack fell on 9/11? How should America respond? How big a threat to America and world peace can this become? What comfort and advice can we find in the Bible relating to such crises? Our ADULT BIBLE STUDY will be focusing on such concerns as current events dictate. If you would like to receive a weekly announcement on what is to be discussed during Sunday's Adult Bible Study, please let me know so I can add your name to the e-mail list.

Time has passed, and it is now September 17th -- the Monday after my first Sunday providing Sunday School for the Nursery at the start of the early service, as well as beginning a Children's Choir following the Youth Message of that same service. For the NURSERY CLASS, I am using a UCC backed curriculum for that age group called Seasons Growing Faith. Leading up to Advent, the lessons will focus on "God's Wonder World," including Day and Night, Plants, Living Creatures, and People. After a brief worship and lesson, our Nursery Attendants, Grace and Becca, will help the children with their craft or activity of the day while I meet with Elementary children for choir.

I have decided after yesterday's first meeting of Children's Choir that it will be renamed JUNIOR CHOIR, considering the youngest of the three boys and three girls who participated is nine years old. Yes, SIX kids -- I am so excited for this better-than-expected turnout! (And a very special thank you to Skylar Davis for bringing her two friends, Lexie and Madisyn, who indicated they would like to continue coming.) The kids sang quite well, and we all had a good time together as we worked on two songs for starters.

Our SENIOR HIGH/YOUNG ADULT CLASS is off to a good start with Carol Strickland as teacher. Most of the class are also members of our Senior Choir, and I thought I was going to have to step down from the choir loft to grab them by the ears to tear them away from deep discussion in order to rehearse with the choir!

Although scheduling is still tighter than it should be for optimum use of our Sunday School Hour -- which in reality turns out to be about 15 minutes -- there is enough interest to make it somehow work out. Space is a factor as well, but the two classes which meet in the Sanctuary do not appear to be hindered by that. Pray that we will soon be able to come up with the best solution to accommodate all our needs.

Faithfully,
Beverly

Beverly Schafer
Assistant Pastor of Education

Financial Update

Operational Budget as of 08/31/12

	ACTUAL	BUDGET
	<u>Jan.-Aug. 2012</u>	<u>Jan.-Aug. 2012</u>
Income	\$120,925	\$113,680
Expenses	\$116,322	\$110,914
Net	\$ 4,603	\$ 2,766

Our expenses are over \$5,000 over budget but fortunately our income is over \$7,000 more than we budgeted, most of which is due to the Thrift Store. Our net income is lower than it had been due to higher expenses but hopefully we can bring this back in line and improve our numbers.

Respectfully submitted, Susie Greiff, Treasurer

OPERATIONS TEAM

The Operations Team continues to be busy with new and ongoing projects :

1. The work on the west property is progressing. Due the recent rains, work has been delayed. See article below for a full update.
2. Pastor Bill, Bob Brewster, Joe Thompson, Terri Zinke and I met with Nate Mudge to determine the correct sound system for our church. More details below.
3. The final disbursement of the Henderson Estate will occur within the month.
4. Budget issues for next year were discussed.
5. The Stewardship Pledge Campaign will be in February 2013.

There will be an Operations Meeting on **Monday, October 8th at 6:00 PM.** *Bob Gaither*

WEST PROPERTY: The cutting and clearing is nearing its completion. The next step is the raking and seeding of the area. Stay tuned as we may call for a special Work Day to do the above. We will then develop a plan for the footbridge and the Pavilion with which to apply for city permits to build.

NOTE: We will be depending largely upon donations of time and materials to make these additions possible so stay tuned as we develop the plans for your opportunity to make this dream a reality!

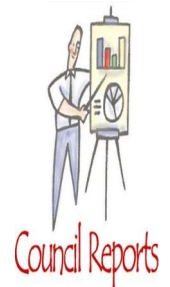

The Council unanimously approved the bid from NATECO to install the new audio system and video projection in our sanctuary. The Council approved both bids and with enough extra funds, we believe, to cover the costs of the video monitor and sound booth materials needed as well. The costs will be covered by a portion of the last disbursement of funds from the Henderson Estate-to be received within the next month. Upon signing of the contract and deposit received, the equipment will be ordered. No installation date has been set, but we'll keep you posted on this exciting project.

COUNCIL UPDATE

The Council met on September 17th and in addition to the Sound System the following are a few more of the important topics that were decided upon:

1. Beverly Schafer was hired as the first Assistant Pastor of Education. (See article on Page 4).
2. Jackie Gaither was approved as Missions Team Chair.
3. Stewardship Pledge Cards (for the February 2013 Campaign) will be available in November for those who want to make an early pledge.

TABLES AVAILABLE: We have three six foot wooden tables available free of charge. Tables must be picked up. If interested, call the Church Office 788-0920.

THE GIFT & THRIFT STORE

Barb Pountain here, from Port Orange United Church of Christ Thrift and Gift Store. I hope you will find the following info helpful, educational and interesting. I refer to our shop as the Thrift & Gift Store as I feel this is a more accurate term to describe us and is more marketable under that title. This is our 14th year of operation, located in the classroom building adjacent to the Church.

Originally we occupied 1 class room (11 x 16) and over the years have expanded to four rooms for a total of 700 square feet. Three rooms serve as display area and one room for receiving, sorting, steaming, preparing and storage. We have a couple of rolling clothing racks, for better quality items, and a rolling clearance cart that we put outside during store hours. We do specialize in costume jewelry, vintage items and collectables, however 70% of the store is clothing and accessories for adults and children. Toys and items for men (tools, fishing equipment, etc.) are available and in big demand.

We do not sell x-rated books, tapes, videos, guns, ammunition, bathing suits, used underwear or broken or dangerous items. Because of space considerations, we do not sell larger furniture items. We also try to stay away from computer equipment and larger televisions because they just do not sell well.

There are several thrift shops within 4-5 miles from us and they are located on Ridgewood Avenue, US 1, a main highway. We are somewhat off the beaten track thus advertising is important. I have been fortunate to find free “PSA” with the Penny Saver.

Annual Income Average 2001-2012 =\$24,839.00

We are all volunteers—including little ole me as manager, leader, boss, committee chair or whatever title is assigned this week. Most of our supplies (trash bags, price stickers, etc) are donated by the store volunteers. New shelf units were donated and assembled by Ric Pountain. Electricity costs are included in the total electric bill to the church. All proceeds from the store are deposited to the general fund of the Church.

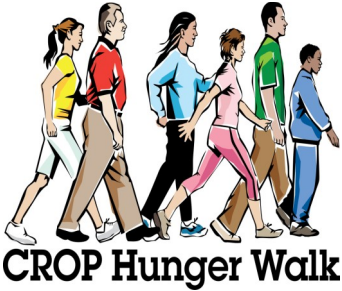

HELP US HELP KEEP HELPING OTHERS: Fall is here and it's a great time to clean out you closets, drawers, garages and crawl spaces. The Thrift Store needs your donations of clothing, jewelry, household items, books and puzzles. Bag it up and bring it in. You not only help others, but you help the Church!

GETTING TO KNOW OUR WILLING WORKERS

We first came to this area in 1973 when our oldest son married a local girl. He was down here going to college. Since that time, Port Orange has been first a place to come and visit family and after we retired in 1986, we were “snowbirds” for several years. I got tired of “moving house” every six months, although we didn't really “move house”, we just drove back to CT in the spring and then drove back down here in the fall. Before we retired, we had noticed that a United Church of Christ was meeting at the Port Orange Community Center which was near the mobile home we had bought in Tanglewood. When we became “snowbirds” we looked for where this church had moved and we found it at its present location. We started attending church there when we were here. The first spring that we went “back up north”, I received a call from Dr. Claus, the pastor, who informed me that I was the leader of the Women's Fellowship! Both Fred and I became very involved with this “new Church” and have always been thankful that we did! We have been able to watch our two granddaughters grow up, graduate from college, get married and have children. We now have two great grandchildren locally, they are 15 and 13 and we get to go to all of their school functions, etc. But the greatest thing for us is our POUCC family that we cherish. We have seen many changes, but somehow the “spirit” of the members of this church is what attracts new members to this Church to this day!! POUCC embodies a wonderful spirit that is true Christian Love!! *Jeanette & Fred Campbell*

SPECIAL MISSION NOTES

ENDING HUNGER ONE STEP AT A TIME: The Twenty-Fourth Annual CROP Hunger Walk will be held on *Sunday, November 11, 2012, Registration-1:30 PM, Walk begins at 2:00 PM* and will start from the Drive-In Christian Church on Atlantic Avenue. With something as simple as a one or three mile Sunday afternoon walk, our community will join together to benefit Halifax Urban Ministries and global partners in more than 40 countries working to alleviate hunger and poverty. If interested in participating, contact Jackie Gaither at 295-3050.

MENDED LITTLE HEARTS

“RECIPES FROM THE HEART”: Our Mended Little Hearts group is putting together a cookbook with recipes that we love to cook. They can be family recipes passed down or just your own. The cookbook will be called "Recipes From the Heart". They will be sold at our CHD awareness walk in February. Also along with the recipes, please answer these questions; What does it mean to you to be a grandmother, grandfather, aunt, uncle, or relative of a heart hero? How has your life changed since having them enter your lives? What have they taught you during their lives that has changed you forever? Please also add your first name, who you are related to and how you are related (first names only please), age of child, and diagnosis and survivor or how many surgeries. Please either email them to me or to heartmom11909@cfl.rr.com. Please have your recipes and stories by *January 1, 2013* so there is time to organize and print the cookbook. Thank you all for your participation. They will make great gifts and wonderful memories to give our children when they are adults. I would love for you all to send in one or two and the answers to those questions. It doesn't have to be long. Thank you! *Shannan Wierzbicki*

SPECIAL MISSION OFFERINGS

PRESS ON TOWARD THE GOAL

CELEBRATING THE SPIRIT OF CAREGIVING: On *Sunday, September 9th*, Jackie Clough and her granddaughter Brittney Wilson represented our Congregation in the 11th Annual 5K/10K Run & Walk to benefit Halifax Health Hospice at the Kenneth W. Parker Amphitheater in Port Orange City Circle. The Church made a \$100 donation to this worthwhile cause. *Thanks ladies, you did a great job!*

NEIGHBORS IN NEED —IMAGING A WORLD WITHOUT POVERTY OR HUNGER:

Is a special mission offering of the UCC that supports ministries of justice and compassion throughout the United States. Two-thirds of the offering is used by the UCC's Justice and Witness Ministries to fund a wide array of local and national justice initiatives, advocacy efforts, and direct service projects. One-third of the offering supports the UCC's Council for American Indian Ministries. This collection will take place on *Sunday, October 7th*. Look for the envelope in the bulletin and please be generous.

MISSION PROJECTS

Neighbors In Need donations are to be collected in October and this is just one of the many missions in which we are participating. We have ongoing projects such as food and socks, can tabs, coupons, prayer shawls and afghans for Boggy Creek (on that note, there is a mixed box of yarn in the storage closet for anyone interested in donating their time and talent to make prayer shawls and afghans) just to name of few. Being involved in many projects requires a great deal of dedication by the membership. It seems there is always something to bring to the church. As we shop for our own needs, we need to be aware there are those who cannot, so we need to put something in the cart for someone we don't even know. A can of peas or green beans don't make a meal but if each of us puts in a can or box we make a meal. The mission boxes are used for undesignated missions. If you have a special need project, please let the team know and maybe we can help. We do greatly appreciate all who put food in the basket, socks in the box, tabs in the jar and money in the boxes. As the song said, "If I Can Help Somebody"!!!

Oh, yes, begin baking for the bake sale in November. The sign-up sheet will be on the bulletin board beginning October 7th . Jackie Gaither, Missions Coordinator

PLEASE HELP: Mission Boxes are located throughout the building. Please remember your gift goes a long way in helping so many who are in such great need.

YOUR FOOD BASKET DONATIONS

We continue to collect food items to donate to the Episcopal Help Center. **Beginning in October, Communion Sundays will also be designated as "Fill the Food Basket" Sunday.** If we all bring a food donation, we will fill the basket each month. Please be generous and make sure all donations have NOT passed their expiration dates (clearly marked on all cans, boxes, and containers). There is a specific need for rice and peanut butter...PLEASE donate ONLY 1 pound bags of rice and 1 pound jars of peanut butter so they can be given to individual families.

SECOND THURSDAY FELLOWSHIP DINNER

Every Second Thursday at 6:00 pm, POUCC has a wonderful Fellowship Dinner in the Jim Reed room. If you have attended, you already know that we EAT, TALK, LAUGH, SING and ENJOY each other's company. If YOU have not attended, isn't it time for you to put this time on your calendar?

The food is Pot Luck and it is delicious! **Just bring your favorite main or side dish, salad, or dessert. Of course, bring your appetite and laughter as well!**

*Make your plans to come to the next dinner Thursday October 11th.
Sign-up on Sanctuary Bulletin Board.*
